

## Puppy Shopping List

Here are some suggestions of what you may find useful to buy for your puppy

We have a product recommendation page on our website which has links to products you can purchase from Amazon. We receive a very small amount of commission when products are bought through the links.

We thank you in advance for any purchases you may make through these links.

1. Travel crate - your puppy needs to be secure in the car
2. Crate for the home
3. Playpen
4. Bed - lots to choose from Vet Bed is a great option for the crate for the car
